Let me first congratulate all of you in the Globetree Network!

You have in so many ways supported, inspired, challenged and developed the vision and work of Globetree.

Please join me in your thoughts October 15, when I receive the Silver Rose Award at the European Parliament! When I address the prominent audience you will be there in my heart and my words!

In this Newsletter you can also read about the Second World Championship in Cooperation hosted by the Kampala City Council, Uganda. The WorldCiC became a success and we thank the host, speakers, all participants and volunteers! You made the five days a memory for lifetime! Special thanks to the Mayors of Entebbe, Mukono, Jinja, Busia and Kampala giving space for the children and youth to interact with all the adults.

In the Closing Ceremony, The City Director of Kuala Lumpur, Malaysia received Our Uniting Water Trophy. Malaysia will be the host for the Third World Championship in Cooperation 2010! A first report was presented by a girl from Kampala at UNEP Children's Conference in Stavanger, Norway

The WorldCiC became also the kick off for the partnership – twinning between 10 cities and municipalities in Sweden-Uganda-Kenya! The foundation of the Partnership program is the United Nations Conventions of the Rights of the Child and the Agenda 21/Sustainable Development.

Congratulations to Children's Garden! First and Second winners in the National Art Festival of Kenya! We are proud of you!
